- 1.02 In recognition of the foregoing, the Parties have agreed to specific terms hereinafter contained.

- 2.01 The Employer recognizes the Union as the sole bargaining agent for all of its Employees pursuant to the Labour Relations Board Orders #6410 and #1979 of the Nova Scotia Labour Relations Board and including all other Employees for which the Union and the Employer have mutually agreed shall be included in the bargaining unit.
- 2.02 Persons whose jobs (paid or unpaid) are not in the bargaining unit shall not normally work on jobs which are included in the bargaining unit or are similar to the job of any bargaining unit member except that; the Parties recognize the existing practices of the use of volunteers insofar as these practices do not result in layoff, downgrading or loss of hours to members of the bargaining unit, or in the reduction in the size or jurisdiction of the unit. The Union recognizes the Employer may, as a result of community interest, increase the use of volunteers so long as such increase does not result in layoff, downgrading or loss of hours to members of the bargaining unit, or in the reduction in the size or jurisdiction of the unit.
- 2.03 No Employee shall be required or permitted to make a written or verbal agreement with the Employer or their representative which may conflict with the terms of the Collective Agreement.

- 2.05 (a) Union officers and committee members who receive prior authorization from their supervisor, shall be entitled to leave their work during working hours in order to carry out their function under this agreement, including but not limited to the investigation and processing of grievances, arbitrations, and attendance at meetings called by the Employer. Such authorization shall not be unreasonably withheld.
- (b) All time spent in performing such Union duties, including work performed on Employer/Union committees, shall be considered as time worked and paid in accordance with the normal work day. No overtime will be paid for such activities.
- (c) The Union may appoint a collective bargaining Committee which shall consist of not more than five (5) Employees appointed by the Union. The Union may appoint additional bargaining Committee members, however, such members shall not be compensated by the Employer. The Employer shall be advised of the names of the Committee Members prior to the commencement of negotiations. Staffing changes may also be required during the annual staffing allocation where there is a substantial change to the needs at a site and the current Employees do not have the required qualifications and competencies; current Employees will be considered qualified, provided the training can be completed within a reasonable number of days. Current Employees who are unwilling or unable to be trained will be declared redundant. In the event a substantial change occurs, the Union may request and the Employer shall provide reasons for the substantial change.
 - (b) An Employee is considered redundant when, during the annual staffing process, an Employee's position is reduced. Redundancies may result from allocations at a site being increased to one hundred percent (100%) from a lower percentage.

Letter of Understanding #1 - Duty to Accommodate

between the

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 5047

and the

HALIFAX REGIONAL CENTRE FOR EDUCATION

DUTY TO ACCOMMODATE

In circumstances where a member of the CUPE bargaining unit may be unable to perform the regular duties of their position due to a mental or physical disability, the Employer and the Union, together with the affected Employee, shall meet or discuss the available evidence regarding the existence and nature of the disability and, if necessary, options with respect to the accommodation of the Employee. The Parties agree to work together to consider how the Employee's disability can reasonably be accommodated without causing undue hardship to the Employer, the Employee, or the Union. The affected Employee shall participate and cooperate fully in this process.

The Parties to this Letter of Understanding, and the affected Employee, shall share with each other all pertinent information for the accommodation of the affected Employee, including functional information pertaining to the Employee's disability, and information regarding the requirements/duties of the Employee's position.

The Parties agree that they will attempt to accommodate Employees as follows, in the following order:

- (a) in their current position;
- (b) in their current classification;
- (c) in another classification with equivalent hours/salary, but for which the Employee possesses the qualifications as required for the position and competencies as set out in the job description.
- (d) in another classification which does not have equivalent hours/rate of pay, but for which the Employee possesses the qualifications as required for the position and competencies as set out in the job description.

In considering the feasibility of the options set out in the preceding paragraph, the Parties shall consider, but are not limited to, options such as the modification of duties, shifts, equipment, and/or the retraining of the Employee.

It is understood and agreed that nothing in the Letter of Understanding will require the Employer, the Union or the affected Employee to agree to an accommodation which would impose undue hardship on the Employer, Union or affected Employee. The Employer agrees that it will not impose an accommodation which has the effect of abridging or infringing Collective Agreement rights of other bargaining unit members unless there is no other reasonable alternative.

Agreements between the Parties regarding the accommodation of Employees shall be reduced to writing. These agreements shall contain provisions regarding the process which will be followed by the Parties in the event that there is a change in the accommodated Employee's circumstances, including a lessening or worsening of the Employee's disability.

Letter of Understanding #3 - Layoff Pursuant to Article 12.02(a)

between the

CANADIAN UNION OF PUBLIC EMPLOYEES, LOCAL 5047

and the

HALIFAX REGIONAL CENTRE FOR EDUCATION

LAYOFF PURSUANT TO ARTICLE 12.02(a)

The Parties agree that, during the life of this Collective Agreement, the process under Article 12.02(a) is as follows:

1. If an Employee has been declared redundant and is unwilling or unable to receive an equivalent position upon completion of the third round of postings, then the Employee will receive a lay-off notice.
2. Once the Employee has received the lay-off notice then they will become a laid off Employee on September 20th of the year in which they received the lay-off notice. On September 20th their pay and benefits will terminate [subject to the Employee's election in Article 12.09(a)].
3. An Employee's status is determined by how and when they receive a term position.
 - a. If subsequent to the receipt of the lay-off notice the Employee is able to receive a term position the Employee can choose to accept the term position or remain on lay-off. If they accept the term position they will still be considered as a laid off Employee as of September 20th of the year in which the notice was provided. If the term position accepted by the Employee is at a lower percentage than their previously held permanent position, the Centre will pay the Employee the higher percentage until September 20th of the year in which the notice was provided. Following September 20th the Employee's pay will revert to their actual percentage in the term position. The laid off Employee occupying the term position will receive their pay and benefits until the end of the term position. If the term position runs until the end of the school year they will be paid until July 31st based on a smoothing formula. The laid off Employee will not receive any further pay or benefits unless they are recalled in accordance with the Collective Agreement. At the end of the term position they will be a laid off Employee and have recall rights in accordance with Article 12.11 and 12.13.
 - b. A redundant Employee who receives a term position in the first or second or third round of postings will not receive a lay-off notice and will remain a redundant Employee. At the point when their term position comes to an end they would continue to be paid based on the percentage they held prior to being declared redundant. The pay would continue until either they are laid off in accordance with the Collective Agreement or receive a different position.

4. The Employer has agreed to indicate, both by way of the layoff notice and the term appointment that the Employee who has received the layoff notice and then gets a term position will not be paid beyond the end of the following July (the end of the term).
5. The Employer has agreed to provide a Record of Employment that is effective either as of September 20th (the date of lay-off for an Employee who does not accept or receive a term position), or as of July 31st (in a situation where the laid off Employee accepts a term position).
6. An Employee laid off at other times of the year who subsequently accepts a term position would not be paid beyond the end of the term.

Letter of Understanding #5 - Re: Employment Equity

The participating Education Entities and the participating Locals of the Nova Scotia School Board Council of Unions recognize the diverse communities served by the participating Education Entities. The composition of the workforce should reflect the diversity of these communities. To that end, the parties agree as follows:

- a) The Education Entities will develop an Employment Equity Program which ensures that employment barriers and systematic discriminatory practices are identified, and strategies developed and implemented to achieve a fair and reasonable representation of diverse applicants. The Education Entities will consult with its CUPE representatives in the development of this Employment Equity Program.
- b) Diverse applicants, for the purpose of this Letter of Understanding, is defined to include African Nova Scotians or persons of African descent, members of other racially visible groups, Mi'kmaq/indigenous peoples, persons with disabilities, women in non-traditional roles, and persons belonging to sexual orientation, gender expression and/or gender identity minority groups.

The Parties agree:

1. Timelines and goals will be developed for the implementation of the Program.
2. An education and training program will be developed for implementation of the Program and to foster advancement of all interested employees.

The typical stages in the implementation of an Employment Equity Program may include:

1. Agreement of the Employer and Bargaining Unit to conduct a self-identification survey.
2. The Employer will be responsible for the maintenance of the self-identification data.
3. Reporting of the statistical results of the self-identification survey.
4. Analysis of the results of the self-identification survey to compare the number of identified people in the bargaining unit with the identified peoples within the boundaries of the applicable RCE or CSAP.
5. Development of goals and timelines to eliminate the discrepancies in representation of identified peoples between the bargaining unit and the general population.
6. Joint education and training for all employees with respect to the implementation of the Employment Equity Program.
7. Training and development to foster advancement of all interested employees within the bargaining unit.
8. Recruitment of identified peoples.
9. Skills, qualifications, experience as selection criteria for vacant positions.

10. An annual and review of the progress towards development of a representative population within the bargaining unit.

Process for Diverse Hires

- I. Notwithstanding any specific clauses contained in the Local Collective Agreement, an Education Entity may, in the job selection process for any position (permanent, part-time, etc.), give preference to a diverse applicant provided the applicant has the skills, qualifications, experience.
- II. A participating Education Entity can only use the preference during the hiring process of up to one (1) position per twenty-five (25) job postings to a maximum of five (5) in a calendar year with the minimum of two being allowed in a calendar year. The participating Education Entity must notify the Union prior to filling an equity position and the Union may request the reasons for such preference. The posting of the position as an equity position means that external candidates can apply at the same time as internal candidates and the preference can be used to hire an external candidate. Additional applicants may be granted preference with the consent of the Union.
- III. Both the Employer and the Union agree these positions will be designated when a regular vacancy occurs. A diverse internal employee shall be awarded a designated position prior to an external candidate. If an internal employee is awarded an equity position pursuant to this clause, then the resulting vacancy will be designated as an equity position and filled by a candidate external to the education entity. This resulting vacancy will not be considered as one of the equity positions pursuant to this clause. Among internal diverse candidates the Collective Agreement applies.

Letter re: ECEs

This letter is to confirm the following, and such letter will be housed in the collective agreement:

March 8, 2023

CUPE Local 5047 (The Union) raised concerns related to Early Childhood Educators (ECEs) who work within the Pre-Primary program surrounding training and supports for members of this classification who require assistance supporting children with social/emotional or deregulation needs. Specifically, the Union wishes to ensure that there is a joint effort to best support ECEs and the diverse needs of children within our school communities that access the Pre-Primary program.

Through conversations in bargaining, there is an understanding that supports are available to ECEs, and the Employer is willing to discuss ways to facilitate reasonable training and supports to best support ECEs within the program. The Union and the Employer agree that the topic of training and supports available to ECEs will be a standing item for discussion at Labour Management Committee meetings during the life of this Collective Agreement. Further, where the Union provides reasonable notice of specific concerns with respect to this issue in advance of the Labour Management Committee meeting, the Employer will make reasonable effort to ensure that appropriate representatives attend said meeting for discussion on this issue.
